

3D DIGITAL SILK ROAD
(PPI/APM/2019/1/00004)
PROGRAM AKADEMICKIE PARTNERSTWA MIĘDZYNARODOWE

Information for conference participants
IT in Cultural Heritage of the Silk Road (IT-CHSR'2021)

Date and place: December 13-15, 2021, Lublin University of Technology, Lublin, Poland. Remote participation is possible.

Main organiser: Department of Computer Science, Lublin University of Technology, Lublin, Poland

Co-organisers: National University of Uzbekistan, Tashkent, Uzbekistan; Samarkand State University, Samarkand, Uzbekistan; Chirchik State Pedagogical Institute, Chirchik, Uzbekistan; Urgench State University, Urgench, Uzbekistan

Conference related to the project "3D Digital Silk Road" financed by NAWA (PPI/APM/2019/1/00004).

Chairman of the organising committee: Prof. Jerzy Montusiewicz, Lublin University of Technology, Poland

The aim of the conference: The aim of the conference is to provide knowledge on the methods, devices and software for the use of 3D computer technologies in the issues of documenting, protection, sharing and management in the area of cultural heritage, primarily in the area of the Silk Road.

Conference languages: English/Russian

Organisation of the conference:

- plenary session and thematic sessions (December 13-14),
- remote, on-line sessions (December 15).

Applications for participation in the conference:

- Deadline for submitting a paper: November 8, 2021 (j.montusiewicz@pollub.pl)
- The submission of an abstract of the paper to be delivered in a plenary, thematic or remote session must include: the title of the paper, the list of authors with affiliation of organisational units, abstract of the paper (1500-2000 characters with spaces), type of session (plenary/thematic/remote).
- If the author plans to include his or her accepted paper in a prepared scientific monograph, he/she must provide the full version of the article by November 25 in English, Russian or Polish. The article must contain: title of the article, list of authors with affiliation of organisational units, abstract, introduction and content of the article related to the cited works, summary and bibliography. Paper size should be 15,000-25,000 characters with spaces. The editorial team will prepare the formatting of the article.

Acceptance of applications:

- acceptance of the submitted papers will be carried out on an ongoing basis by the scientific committee of the conference,
- acceptance of articles for the monograph will be based on the review.

Important information

Participants must remember that coming to Poland requires obtaining a visa at the Polish Embassy in Tashkent. Invitations to participate in the conference for people from outside the "3D Digital Silk Road" project, who want to come to the conference at their own expense, will be issued after approval of the submitted an abstract of the paper. The issued invitation to the conference will be the basis for applying for a visa. Please remember that the visa application procedure takes at least a dozen or so days, so please do not hesitate to submit the relevant report.
